RE:

Case No. 2011-00096 – Application of South Kentucky RECC for Adjustment of

Rates

Dear. Mr. Derouen:

Please find enclosed the original and ten (10) copies of the responses to the Commission's Order dated November 7, 2011.

South Kentucky RECC has not published the revised notice that was filed with the Commission on July 6, 2011. This notice was not published then as it should have been because of a breakdown in Communications between South Kentucky personnel and SKRECC's rate consultant on this project.

South Kentucky is now in the process of publishing this notice in all counties in which South Kentucky provides electric service. This notice will also include information about the hearing. A copy of this notice is attached.

If you have any questions, please contact me at your convenience.

Sincerely,

Stephen Johnson

Vice President of Finance
